2024/2522/T	Jonathan Byatt	25/06/2024 14:33:13	INT	<p>Interested party: on behalf of residents' TRA group at South End Close. We are a nearby Camden estate who would greatly appreciate being offered the tree trunk sections after tree removal. As we are only several hundred metres away, at the bottom of Pond St., we would happily take delivery of these tree sections after cutting. This would enable them to be recycled locally. It would help improve the look & feel of SEC while providing useful insect homes.</p> <p>Please use me as a contact to arrange local delivery if this is acceptable.</p>
