2024/2104/P	thomas william cohen	28/06/2024 14:18:47	WREP	<p>Dear Sirs,</p> <p>I register my concern that the re opening of access via the main front door will not destroy or damage in part the front wall facing the road. In 2007, the Council refused No 7 Chesterford Gds to demolish their front wall. Recently the Council addressed a similar case at No 1 Chesterford Gdns.</p> <p>Houses on the north side of Chesterford Gardens have a distinctive high wall which needs to be preserved in our Conservation Area. I hope that the existing guidelines and the previous cases referred to above will also apply in this case.</p>
