2024/0601/P	Craig Duncan	02/07/2024 16:22:27	OBJ	<p>This is an official written objection to the change of use for this building! The re-development of this building has been completely mismanaged and the only reason what now exists was ever given planning permission was a solemn promise to create a cinema within it. As a representative of the local community, I must object to this btrayal and ask it be denied!</p> <p>Craig Duncan Chair - Durdans House TRA</p>
