### Schedule of Amendments:

- 
- Architectural elevation drawing of a building facade. The drawing includes several annotations and numbered callouts:
- 1**: New substation doors, steel louvred, black.
  - 2**: New boundary wall to enclose substation, painted brickwork to match existing with replacement fire escape door, black.
  - 3**: New PRC aluminium capping, dark grey (also replaced on existing building).
  - 4**: New link extension, brick painted to match existing.
  - 5**: New white metal windows.
  - 6**: New PRC aluminium flashing.
  - 7**: Existing boundary walls, gates and metalwork retained and repainted.
- The drawing shows a multi-story building with a grid of windows. The ground floor features a substation area with a gate and a fire escape door. The upper floors have a regular pattern of windows. The drawing is labeled "Upper Woburn Way" at the bottom right.
