

Dear Camden Council Planning Department,

I wish to register my support for application **2024/0479/P**, the redevelopment of 100 and 100a Chalk Farm Road to provide purpose-built student accommodation, new affordable homes and improved public realm

Reason given for support:

I don't. We are inundated with high rise student accomodation mostly only accommodating foreign students who can afford stupid rental prices.

Dear Camden Council Planning Department,

I wish to register my support for application **2024/0479/P**, the redevelopment of 100 and 100a Chalk Farm Road to provide purpose-built student accommodation, new affordable homes and improved public realm

Reason given for support:

Lower the amount of student accommodation and increase the amount of affordable housing please!
