## Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Information submitted in support of the discharge on condition 21 of planning permission 2023/2359/P:

21. Prior to the first occupation of any residential unit within Plot B, details of a wind tunnel study, as per the Wind Microclimate Assessment by Peter Brett Associates, Ref 28732/007 Rev 02, dated 05/12/2013, shall be submitted to and approved in writing by the local planning authority. Should additional mitigation measures be required, these shall be provided in their entirety prior to the first occupation of the relevant residential unit and shall be permanently maintained and retained thereafter.

Reason: In order to protect the residential amenity of future occupiers from harmful microclimate impacts, in accordance with the requirements of policy A1 of the London Borough of Camden Local Plan 2017.
