

I write re this householder application at **49A Downshire Hill, NW3 1NX** for the installation of an air source heat pump in the rear garden.

We had previously objected on the ground of noise nuisance. We have now spoken to the owner, who assures us that all possible care will be taken to install a rubber base, a wall around the pump and any other necessary method of mitigating the noise.

On the basis of that undertaking, and your requiring its implementation, we withdraw our objection.

Please acknowledge receipt.

*Sir Jeffrey and Lady Jowell*
