PROPOSED FINISHES  
 New thermally broken aluminum curtain wall framing and spandrel panels to have powder coat finish in dark brown colour to match existing.  
 New standing seam powder coated aluminum flat roof areas at each corner to replace existing lead lined corrugated finish.  
 All new flashings, copings etc to match new curtain walling.  
 Colour to be RAL 8014 or similar - TBC by main contractor by indicating an area which has not been specified to sunlight or faded.

New glazed areas shown hatched blue, finish generally to be clear subject to manufacturer recommendations for solar gain.  
 Window units within curtain walling to be side hung casements fixed with restrictors to limit opening to 100mm for ventilation only.
