Description of Proposal
Does the proposal consist of, or include, the carrying out of building or other operations?
○ Yes ⊙ No
Does the proposal consist of, or include, a change of use of the land or building(s)?
○ Yes② No
Has the proposal been started?
○ Yes ⊙ No
Grounds for Application
Information about the existing use(s)
Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful
Residential use
Please list the supporting documentary evidence (such as a planning permission) which accompanies this application
47-NW62PP-Ksquared-Certificate of Lawfulness-240603 47a Lowfield Road - EPC 47b Lowfield Road - EPC
Select the use class that relates to the existing or last use.
C3 - Dwellinghouses
Information about the proposed use(s)

Permanent Temporary	
Temporary Thy do you consider that a Lawful Development Certificate should be granted for this proposal? All proposed works are Internal to Improve energy efficiency. Glazing improvements from single to double will not after exterior appearance; none of the proposed works will affect the building's exterior appearance. - Double-glazing: Offers numerous benefits, including improved energy efficiency, enhanced acoustic insulation, and increased security. It reduces heat loss, lowers energy bills, and decreases noise pollution, making homes more comfortable and secure. Additionally, double glazing minimises condensation. - Flat roof insulation: Enhances thermal efficiency, reducing heat loss through the roof and lowering energy bills. It also helps prevent moisture intrusion, extending the lifespan of the roof structure. - Ventilation: Proper ventilation improves indoor air quality by reducing moisture build-up and pollutants, promoting occupant health and well-being, it also helps prevent issues such as mould and mildew growth. - Draught proofing: This can prevent moisture ingress, which can lead to dampness and mold growth. This not only protects the structural integrity of your home but also promotes a healthier living environment. Please refer to the supporting documents for more detailed information of the proposed works. Site information Please note: This question is specific to applications within the Greater London area. The Mayor can request relevant information about spatial planning in Greater London under Section 346 of the Greater London Authority Act 1989. - Wew more information on the collection of this additional data and assistance with providing an accurate response. Title number(s) Please add the title number(s) for the existing building(s) on the site. If the site has no title numbers, please enter "Unregistered". Title Number: NGL256766 Energy Performance Certificate Do any of the buildings on the application site have an Energy Performance Certificate (EPC)? - Yes - No	s the proposed operation or use

Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
○Yes
⊙ No
Interest in the Land
Please state the applicant's interest in the land
