Dear Sir/Madam

I want to voice my support for this well-considered scheme.

The existing building is a blight on the streetscape and the proposal is not only an interesting design but uses high-quality materials. It will vastly improve the immediate area around it.

The vicinity around Chalk Farm Station has been in a state of disrepair for a while and the introduction of a student housing scheme should hopefully boost footfall and encourage a wider and higher quality range of commercial occupiers to take up space at this end of the high street.

Kind regards

Scott
