2024/2510/P	Peter Land	12/07/2024 14:13:58	INT	<p>I own the ground floor apartment at No 7 Wadham Gardens, the neighbouring property to No 9. Whilst I don't have an objection to the proposed single storey extension, I am concerned about the security risk this poses, as the building will be located beside the lower section of the boundary wall between our respective properties, and it will have a flat roof.</p> <p>I would therefore ask that due consideration be given for the installation of a metal security gate of a suitable height, to be located at the front of the side passageway to provide a substantial deterrent for someone intending to breach the security of either of our properties.</p>
