2024/1261/P	Paula Myers	15/07/2024 16:15:23	INT	<p>Dear Mr Chana Please can you help me I live at Flat 2, 47 Platts Lane London NW3 7NL which is the flat above Flat 1 which is the subject of the proposed basement</p> <ol style="list-style-type: none"><li>1. Neither I, nor the tenant/owner of Flat 3, have received notice of the above application which apparently we should have received on the 18th June 2024</li><li>2. Neither do we believe the adjoining properties have received notice of this planning application, Nor are there any notices in the street about this application . This gives none of us involved parties (there will be party wall orders etc.) sufficient time to object if we do so wish. Can this time period for objection be extended?</li><li>3. I notice on the Cover Letter, under the heading The Proposal, that in the penultimate paragraph the figure of 144 sqm is mentioned. I think this is an error. It should be 144 sq. ft, i.e. not meters</li><li>4. I am concerned in general about lack of contact but also about lack of information as to Building Management Proposals etc.</li></ol>
