This drawing is the property of Tuckey Design Studio Ltd. Copyright and intellectual property of all information shown is reserved by them. The drawing is issued on the condition that it is not copied, either wholly, or in part, without written consent from Tuckey Design Studio Ltd, except for planning purposes. Drawings not to be scaled, except for planning purposes. Contractor to work to figurative dimensions only. All dimensions to be checked on site before commencement of work or shop drawings. This drawing is to be read in conjunction with the specification when issued.

General Notes

— Drawings are to be read in conjunction with all other architect's drawings, specifications and schedules, and all other consultants' drawings and specifications.

— Drawings are to be read in conjunction with approved planning drawings and planning conditions. Contractor to ensure all necessary statutory approvals are in place prior to commencement on site.

— Drawings are to be read in conjunction with Building Control plan check. Contractor to ensure all work is carried out in accordance with relevant British Standards, CDM and Building Regulations.

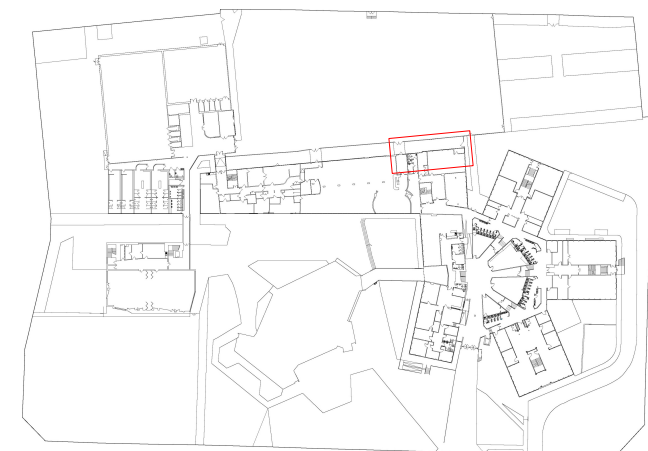

— All dimensions are indicative and are for pricing purposes only. They do not constitute instructions for setting-out and construction.

— Existing topographical and building survey information based on Bridport MBS 'BMBS439' drawings received 28 October 2023.

— All build-ups of existing elements are shown indicatively only based on survey information and a preliminary site investigation. Contractor is responsible for works required to confirm build-ups of existing elements.

— Where noted, 'site dimensions' are indicative and based on survey drawings. Contractor is required to check actual site dimensions once setting out is completed and report any discrepancies to contract administrator and architect for review prior to construction.
