2024/2771/A	Victoria Marianne Barrett	16/07/2024 09:43:07	OBJ	This would completely change the character of this row of shops. It would increase traffic and deliveries This part of Belsuze Park already has a similar well established store on this row of shops. It is in keeping with the architecture and is not obtrusive. The staff are part of the local community and are well liked. The proposed store already has a branch in Camden Town about a mile away
2024/2771/A	A	16/07/2024 14:29:35	COMMNT	As a local resident that walks by the building every day I find the design absolutely horrendous and garish. The building and the facade takes up a lot of the street and having this blue monstrosity on the street with it's repeating logo will not benefit anyone. The lapels on the windows make it look like a depo. Please reconsider this design and everything involved in accepting this project to go further. Thank you!
2024/2771/A	Carlo Jeff	17/07/2024 08:13:10	PETITNOBJ E	Hello Sir/Madam As we know layland want to move to the area in my opinion we don't need that big company in the area there is already hardware store. Many thanks
2024/2771/A	Andrew O'Brien	16/07/2024 11:32:18	PETITNOBJ E	The economic life of any community lies in its small businesses. We do need not corporate entities draining the economic life of Belsize Park.
2024/2771/A	Sophie debaere	16/07/2024 13:58:34	COMMNT	The described display is a visual pollution to the area plus this is going to destroy the business of a lovely independent DIY shop just a few meters above. This opening will do a lot of harm and feel out of place in this location (bearing in mind there is another one in Camden).
2024/2771/A	Kamal mohamadi	17/07/2024 08:26:21	PETITNOBJ E	Hello We believe as residents of Belsize Park we don't like having big stores in the area.
