2024/2243/P	Jonathan Zangwill	16/07/2024 13:22:24	OBJ	<p>Sunlight:</p> <p>As has already been noted, the only sunlight that the master bedroom and patio of flat 7 recieves is in the morning. That sunlight will be eliminated by the proposed construction.</p> <p>In addition, the main garden area of flat 2 receives some afternoon and evening sun over the existing terrace of flat 5. That sunlight will also be severely reduced or eliminated by this proposal.</p>
