2024/2671/T	Rebecca Ellis	19/07/2024 18:36:57	SUPC	If the trees are in dangerous/very unhealthy conditions, then they obviously need to be felled or reduced in size. However, I would like them to be replaced with trees/shrubs in a manner which will not impact negatively on my property. Reference is made in the supporting documents to the proposal to re-landscape the garden - I would ask therefore that I be consulted to ensure that this is the case.
