Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

**Falkland Place Playground
r/o 11 - 23 Leverton Street
Falkland Place
London
NW5 2PN**

Proposal:

Demolish and rebuild rear boundary wall using salvaged brickwork.

Drawing Nos: 23/136-05, 23/142-01, Cover Letter, Planning & Heritage Statement

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The proposed works comprise the demolition and rebuilding of a brick boundary wall separating Falkland Place Playground and the rear gardens of Grade II listed nos. 11-23 (odd) Leverton Street and no. 3 Leverton Place (not listed). The existing wall is in poor condition and at risk of collapse, experiencing severe cracking, rotation, and bowing which has led to health and safety concerns to users of the playground.

The proposed reconstructed wall will be an exact replica with same height, width, and feature the same coping brick design as the original. Original bricks will be reused where possible, with new bricks being matching London stock brick. Overall, the proposal is considered acceptable on design and heritage grounds and will preserve the character of the listed buildings as well as the wider Kentish Town Conservation Area.

Given that the reconstructed boundary wall will be of the same dimensions as the original, it is not considered that they would create any new impacts to neighbouring residential amenity with regards to loss of daylight/sunlight, outlook, or privacy

No objections were received following statutory consultation. The planning history of the site has been taken into account when coming to this decision.

Special regard has been attached to the desirability of preserving the listed building, its setting and its features of special architectural or historic interest, and the desirability of preserving or enhancing the character or appearance of the Kentish Town Conservation Area, under s.66 and s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1, and D2 of the Camden Local Plan 2017 and policies D3 and D4 of the Kentish Town Neighbourhood Plan 2016. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.
- 4 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 5 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2023.
