2024/2961/T	David	23/07/2024 11:12:13	JUST	<p>Why are we killing two living trees that have probably stood for many years? I could not find any rationale.</p> <ol style="list-style-type: none">1) Trees are good for the area. They make Belsize Park a beautiful place to live.2) Trees are environmentally good. I don't need to say this. We want more trees not less.3) Trees provide a green shield from looking at a block of flats and cars parked outside.4) Trees absorb some of the noise from Haverstock Hill traffic5) Trees from what I see are alive and well. <p>How about we provide the rationale (maybe I missed it) and consider tidying up the trees. This is my view as a local resident.</p>
