RE: 2024/1876/P | Condition 4 | Green Roof Details

I am writing to provide details for the standalone condition, requiring details of the green roof.

We have attached the following information as required by this condition:

- i. A detailed scheme of maintenance and watering;
- ii. A plan and section drawn using the manufacturer's details, demonstrating the construction and materials used; and
- iii. Full details of the planting species and density.

Should you have any questions, please get in touch directly.

Kind regards,

Sam Wood
