I Need to register my opposition to
planning application number 2024/0479/P

Thierry muller
42 broomfield
Ferdinand st
London nw1 8ed

- 1) The towers are much taller than anything on the road
- 2) It will cause heritage harm to the Roundhouse
- 3) A lot of the student rooms are dark with windows really close to each other
- 4) The tall buildings will overshadow existing homes on Chalk Farm Road and drop the light in neighbours' homes to very low levels
