## **2 ELSWORTHY TERRACE, NW3 3DR – BASEMENT DEVELOPMENT**

I am writing on behalf of Structural Design Studio Ltd (SDS), to confirm that we have been appointed as the permanent works structural engineers on 2 Elsworthy Terrace, NW3 3DR. Our appointment spans the planning, the detailed design, and the construction phase of the works.

Permanent Works – SDS have designed and detailed the permanent structural elements.

Temporary Works – SDS are appointed to review the Contractor's temporary works engineer's design, and comment on their proposals during the execution of the works.

At the construction stage we are appointed to make regular visits to site to inspect the works as they progress, and guiding the contractor as required.

Please do not hesitate to contact us if you require further information.

Yours sincerely,
