2024/3116/P	Edward Troup	30/07/2024 07:24:01	SUPPRT	Hand Court is an underused and soul-less area and any proposal to give it more life is welcome. As a local resident, I support this application, subject to adequate conditions being imposed to ensure that the operators are responsible for managing litter and waste generated by the food stalls, both in Hand Court and in surrounding areas.
