2024/3049/P	Katinka Achrafie	29/07/2024 17:35:45	NOBJ	We would like to give our full support for this application.
2024/3049/P	Wasfi Kani	29/07/2024 22:29:05	SUPPRT	I live opposite Mr Joel Kwantreng. He is a valuable, helpful member of the Fortess Grove community and I support this application.
2024/3049/P	Wendy Proctor	28/07/2024 12:55:29	SUPPRT	As a resident of Fortess Grove (no.17), I am very much in favour of this planning application. The addition of a roof terrace and rear window will greatly improve the house in question (no. 4) and enhance the overall look and feel of Fortess Grove, to the benefit of both the owner and the other residents of the street.
2024/3049/P	Nick Gardner	30/07/2024 21:44:03	NOBJ	I live in Fortess Grove and am very happy to support this application. The owner of No 4 is a true gentleman and I am sure has the support of most if not all the Grove
2024/3049/P	Tania Voaden	26/07/2024 11:06:51	NOBJ	As residents in Fortess Grove we have seen various developments, modifications, extensions and fenestration changes in this small residential street. The proposal for 4 Fortess Grove is in keeping with neighbouring houses, several of which have identical roof terraces to the planning application, so it will not in any way change the character of the row of houses. We fully support this application and the applicant; who is a long term resident in Fortess Grove, in the neighbourhood and who has worked for many years in service to the London Borough of Camden.
