I have been in Belsize Park for eleven plus years, and I am writing to protest the plan to put a Leyland SDM store on the corner of Haverstock Hill and Belsize Grove. The proposed site is very close to my home on Belsize Grove.

I love Belsize Park, the high street (along Haverstock Hill), and Belsize Village. The businesses in these areas serve the local residents well.

While I understand that Leyland SDM serves its customer base, the proposed site is unsuitable - insufficient parking (especially with the bike lane restrictions on Haverstock Hill, and a large Leyland shop in adjacent Camden Town makes another location in Belsize Park unnecessary. And the typical storefront design for the company's shops is out of keeping with Belsize Park.

Thank you.
