Dear Sir / Madam,

**Town and country Planning Act 1990 (as amended)**  
**Re: Application for the installation of a Cycle Hire docking station (18 docking stations maximum and a terminal) on the carriageway adjacent to Castlewood House, Bucknall Street, WC2H 8AG, in the London Borough of Camden.**

**Planning Portal reference: PP-13287662**

I enclose an application by Transport for London (TfL) for planning permission for the installation of Cycle Hire docking stations (18 docking stations maximum) and a terminal, which will be located at the above address.

This application follows the [Safe and Healthy Streets Bucknall Street Area Consultation](#) which occurred between November – December 2023. On the 11<sup>th</sup> June 2024 a decision was made by the London Borough of Camden to implement the proposed changes permanently. This includes the relocation of an existing cycle docking station on Earnshaw Street to Bucknall Street.

The Cycle Hire scheme is now a familiar public transport mode which allows people to hire a cycle from a docking station and return it to either the same or another docking station. It also encourages active travel, offers a sustainable and low emission form of transport and provides users with the fastest option for many short journeys.

The proposal is described in full in the Planning Design & Access Statement.

**The application has been submitted via the Planning Portal. It consists of:**

- Planning Application Form
- Community Infrastructure Levy (CIL) form
- Planning, Design and Access Statement – for information only
- Biodiversity Statement (within PDAS)

- Planning Application Drawings comprising:

<b>Drawing Title</b>	<b>Drawing</b>
Bucknall Street _LOC	Location Plan
Bucknall Street _EP	Existing Plan
Bucknall Street _GA	General Arrangement
Bucknall Street _TD	Terminal Design
Bucknall Street _DPD	Docking Point Design
Bucknall Street _FD	Foundation Design

I look forward to receiving confirmation that the application has been received and registered as complete.

If you wish to discuss this matter further, please do not hesitate to contact TfL on [Michaelraby@tfl.gov.uk](mailto:Michaelraby@tfl.gov.uk)

Yours sincerely

Michael Raby
