

Dear Camden Planners,

Highgate Conservation Area Advisory Committee objects to application 2024/2923/P for 6 South Grove London N6 6BS.

Camden's website shows that this application was registered and validated on 31st July 2024.

However, despite the application being for a significant listed building in Highgate Conservation Area, we and others have been given no opportunity to comment as the deadline for comment was set as 15th July 2024, not 3 or 4 weeks after the registration and validation date.

We contacted you on 1st August 2024 asking whether this might have been a mistake, but have received no acknowledgement or other reply.

There should also be a Listed Building Consent application as well as a planning application given that this is a listed building.

Please can you alter the deadline for comment so that we and others can comment on this application.
