**Dear Sirs,**

**Ref: 41 Beaumont Walk, LONDON, NW3 4SW**

**New window at first floor apartment**

#### **DESIGN & ACCESS STATEMENT**

The applicant wishes to provide additional natural light for a new bedroom by installing a new window.

We consider that the installation of the proposed new window on the side elevation to be complimentary of the existing windows and it meets the owners wishes without detracting from the integrity of the existing building.

The existing access is not affected by this proposal.

Yours faithfully

Robert Nagy
