Explanation for Proposed Demolition Work Why is it necessary to demolish all or part of the building(s) and/or structure(s)?
The change of use from a Nails, Hair, and Massage Salon to a Restaurant is necessary to meet the evolving needs of the local community. Converting the existing salon into a restaurant will not only enhance the local dining options but also contribute to the economic vitality of the neighbourhood by attracting more footfall and supporting local businesses. This transformation aligns with the community's development plans and will provide a valuable service that is currently underrepresented in the area.

Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Biodiversity net gain
Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why they are exempt from doing so.

Find out more about biodiversity net gain, and access digital tools from our partners that can help determine if you are exempt, or produce the biodiversity metric information required.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?
○ Yes② No
Please add all the exemptions or transitional arrangements that apply and provide a reason why
Exemption: Development subject to the de minimis exemption (development below the threshold) Reason for selecting exemption: The proposal is a small scale project and is located in an urban area with low existing biodiversity value.
Note: Please read the help text for further information on the exemptions available and when they apply
