I object to planning application 2024/0479/P - 100 and 100a Chalk Farm Road due to:

- 1)Heritage harm
- 3)Too tall for the location
- 3)Loss of light inflicted on nearby residents

I think it is a shame to build so close to the roundhouse buildings that are so much taller. I think keeping to the existing heights of buildings close to the roundhouse would be much more appropriate. The roundhouse is a historic landmark in Camden and it will be dwarfed by this construction as currently proposed.

Although I will not lose light, I will lose a good view. And I think people closer will be detrimentally affected. And it will be sad for the neighbourhood.
