2024/2821/P	Mr	06/08/2024 16:35:34	OBJ	<p>There is already an over supply of school places in our area of Hampstead, which has created severe problems in the Neighbourhood and surrounding areas caused by car use by parents bringing and collecting their children from school. Children are largely from outside the neighbourhood and beyond our area of Hampstead. It does not serve the needs of the community.</p> <p>There has been a presumption to resist additional school population within the Netherhall Neighbourhood. Has policy changed?</p> <p>It is proposed to increase the school population by 1/6th (44 children)</p> <p>Please refuse</p>
