2024/2978/P	Richard Simpson for Regent's Park CAAC	07/08/2024 10:50:14	COMMNT	<p>ADVICE from The Regent's Park Conservation Area Advisory Committee 12A Manley Street, London NW1 8LT</p> <p>5 August 2024</p> <p>Regent's Park Estate art trail 2024/2978/P</p> <p>No objection.</p> <p>We welcome active community engagement with our environment. We hope to see a continuing engagement in the maintenance of the art works by the community.</p> <p>We would like to see the encouragement of participation through the use of explanatory material on the creation of the art works – how did they come into being, how was the community involved – perhaps through the use of QR codes associated with each object.</p> <p>We are concerned that light installations should not cause problems for either humans or the broader ecology. The principles of environmental sustainability should apply.</p> <p>Richard Simpson FSA Chair</p>
