2024/2918/P	AS, Belsize Society	11/08/2024 09:16:12	OBJ	Regarding the change of use to educational, this would seem an entirely unsuitable environment for teaching children without natural light and fresh air, small awkward spaces and difficult entrance. Children with certain special needs in particular would find this challenging. It would inevitably increase traffic at drop off and collection times (as it is too far from tube stations for children with parents and near only one bus route).
