

PROPOSED NORTH WEST ELEVATION
Block B

Proposed additional storey (new 4th floor) with 4no. flats to be set over the existing roof level with associated terraces. Access to this new floor level will be via the extension of lift core BI, together with the continuation of the common stair up to serve this new level.

The proposed materiality will match the existing 3rd floor materiality on the existing building. The proposed extension will comprise of a lightweight structure that is supported over a new transfer deck structure that is positioned over the existing roof level.
