Dear Sir/Madam

21-23 Bedford Place

This letter is to confirm that the following person has been engaged on the project to inspect, check for compliance with the design and monitor the critical elements of both the permanent and temporary works throughout the duration of the basement construction works on the above project. The temporary works will be designed by others and reviewed and approved by DDA Engineers prior to any construction.

DDA Engineers have been involved with the project since RIBA Stage 2 and will follow the project through to Practical Completion.
