There is lots of retail space available in the area already. What we then don't have is a space to host events and pop ups and concerts like we can today. The architectural design of Coal drops yard is also very unique and inviting. Lots of young families come on the weekends and appreciate that we have this little oasis in the middle of a busy city. I would hereby like to formally object to the new plans for a permanent retail outlet addition strip in the middle of CDY. Thank you.</p> <p>Best regards, Jennifer</p>
