The Council has considered your application and decided to grant consent subject to the following condition(s):

- 1 No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

- 5 Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

Informative(s):

- 1 Reasons for granting consent:

This application seeks consent for the display of a non-illuminated fascia sign and a non-illuminated projecting sign to shopfront.

The proposed non-illuminated hand painted fascia sign and non-illuminated metal projecting sign are considered acceptable in terms of size, number and position. As such it is considered there would be minimal visual impact resulting from the proposal.

The proposed advertisement letters would not impact on amenity in terms of light spill or outlook, nor would it be harmful to either pedestrian or vehicular safety. The letters therefore raise no public safety concerns. The application site's planning history was taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with Policies A1, D2 and D4 of the Camden Local Plan 2017, Policies DH1, DH2 and DH3 of the Hampstead Neighbourhood Plan 2018, the London Plan 2021, and the National Planning Policy Framework 2023 and CPG Advertisements 2018.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
