Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Granted**

Address:  
**32 Jamestown Road**  
**London**  
**NW1 7DB**

Proposal:  
Installation of a metal trellis to the 4th and 5th floor terraces of the east elevation.

Drawing Nos:  
JWHARF-OKT-76-A04-DD-I-8005 (Rev C02), JWHARF-OKT-76-A04-DD-I-8006 (Rev C03), Site Location Plan, Cover Letter

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

JWHARF-OKT-76-A04-DD-I-8005 (Rev C02), JWHARF-OKT-76-A04-DD-I-8006 (Rev C03), Site Location Plan, Cover Letter

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The proposal is for the installation of a metal trellis to the outdoor terrace at both 4th and 5th level, of the east (side) elevation. The trellis will be a black galvanised securifor system. The purpose of the trellises is to enhance privacy, ensure safety, and support plants. The proposed trellises will not be visible from the public due to their siting.

The trellises are considered acceptable in design terms, are of an appropriate scale and represent a minor addition that is sympathetic to the contemporary appearance of the host building. As a result, the proposal would not cause any harmful visual impact on the building or the broader Conservation Area.

Given the siting, scale and minor nature of the scheme the proposal is not considered to harm any neighbour's amenity in terms of loss of light, or privacy. The trellises will face the west elevation of the Holiday Inn hotel. It is considered that the trellises will help to mitigate any privacy impacts from the roof terrace and will protect the hotel's amenity.

The sites planning history was taken into account in coming to this decision. No comments have been received.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of

proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.

- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2023.

You can find advice about your rights of appeal at:
