Dear Daren Zuk

Re: Glebe House, 15 Fitzroy Mews, Planning Ref: 2024/3123/P

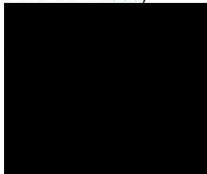

I object to the planning application for Glebe House, 15 Fitzroy Mews, W1T 6DP.

The impact of a roof extension / Penthouse with height within metres of my bedroom at 25E Fitzroy Square would have a catastrophic effect on my life with regards to the lack of light to my flat, if this were to be applied. The Fitzroy Mews and Glebe House is to the Western side of Fitzroy Square and acts as my main source of light. Any change to allow a greater build of Glebe House, over-towering my flat, would destroy and obstruct my environmental existence with my happy home living in Fitzroy Square.

Our quality of life as residents as we have known it will diminish if this action is granted.

I totally resist and object to this planning application. Please keep me informed of any developments.

Yours sincerely

Charles Stephens
