2024/3252/P	Gary Cox	28/08/2024 08:21:06	OBJ	<p>To whom it may concern, I strongly object if this planning application is related to anything food related. The smell from any restaurant/food related establishment will have a direct impact on my living circumstances next door. My bedroom window opens directly to the side above. It's unacceptable if I am unable to open my bedroom window due to cooking smells from any establishment at 31. I urge Camden council to deny this permission.</p> <p>Yours faithfully, Gary Cox. Flat 2, 33 Betterton Street.</p>
