2024/3329/P	Georgia Sibold	28/08/2024 07:13:36	OBJ	<p>I have several concerns about this proposed installation, namely:</p> <ul style="list-style-type: none"> <li>- Privacy: The terrace will look directly into my flat - including the bathroom and second bedroom/office - and be in close proximity to the main bedroom window.</li> <li>- Noise: There is no sound installation/barrier between the proposed terrace and my building, or other gardens on the road. We can already hear activities in other gardens a few houses over - so noise from right next door will be extremely loud, especially in my main bedroom.</li> <li>- Accountability: If the property is used as a short-term rental accommodation (Airbnb, etc.) guests will have no sense of responsibility to respect local time restrictions/neighbours. This could create a really uncomfortable living environment for residents.</li> </ul>
