This information is provided to update planning applications P1 & P2 issued previously.

In Summary the information updated is as follows:

Application P1, 2A.

Building services scope of works updated document – ref R01-Rev 2.

Application P2, 2B.

Building services scope of works updated document – ref R01-Rev 2.

Application P2, 2C.

- ∞ Drawings, MEP for Core A (Zone A) – Levels 3 & 4
- ∞ Drawings MEP for Core B (Zone B) – Levels 3 & 4.

2. APPLICATION P2-2A

The building services information referred to in the application was:

- ∞ Building services description of systems reference R01

This is superseded by Building services scope of works updated document – ref R01-Rev 2.

3. APPLICATION P2 – 2B

The building services information referred to in the application was:

- ∞ Building services description of systems reference R01

This is superseded by Building services scope of works updated document – ref R01-Rev 2.

4. APPLICATION P2 – 2C

The building services information referred to in the application was:

- ∞ Building services description of systems reference R01

This is superseded by Building services scope of works updated document – ref R01-Rev 2.

MEP drawings part of the application was L & P Design Drawings:
