2024/3534/P	CRASH	29/08/2024 07:45:04	OBJ	This application is rubbish. It appears to think that Blackburn Road is a turning off Finchley Road, whereas everybody who lives in South Hampstead and West Hampstead knows Blackburn Road is a short cul de sac off West End Lane. There is no vehicular access to the O2 Centre site - existing or proposed - from Blackburn Road.
