Dear Sir/Madam

### **DECISION**

Town and Country Planning Act 1990 (as amended)

#### **Full Planning Permission Granted**

Address:  
**185 Belsize Road**  
**London**  
**NW6 4AB**

Proposal: Replacement of existing single glazed timber sash windows with slimline double glazed timber sashes to the front, side and rear elevations as well as replacement of existing French doors with double glazed doors to the rear.

Drawing Nos: 0437-58-001 Rev. A; 0437-58-002 Rev. B; 0437-58-101 Rev. A; 0437-58-102 Rev. B; 0437-58-201; 0437-58-202; Window Specification (sash with glazing bars); Window Specification (sash without glazing bars); Door Specification; Design and Access Statement dated July 2024 (Version A).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: 0437-58-001 Rev. A; 0437-58-002 Rev. B; 0437-58-

101 Rev. A; 0437-58-102 Rev. B; 0437-58-201; 0437-58-202; Window Specification (sash with glazing bars); Window Specification (sash without glazing bars); Door Specification; Design and Access Statement dated July 2024 (Version A).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The proposed replacement windows and French doors would match as closely as possible the existing windows and French doors in terms of materials, design, opening methods and proportions.

There would be some degree of increased thickness to the frames/glazing bars in order to accommodate the double-glazed panes; however, in this instance, the use of suitably designed slim-line units are considered to be an appropriate and sympathetic change which would preserve the character and appearance of the host building. The windows that currently have glazing bars will be replaced with integral glazing bars.

The windows and French doors would also improve the thermal performance of the building which is a material planning consideration.

There are no amenity concerns to neighbouring properties given the proposal would replace existing building features and fenestration.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Priory Road Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act [ERR] 2013.

As such, the proposal is in general accordance with policies A1, CC1, D1 and D2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021; and the provisions of the National Planning Policy Framework 2023.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and

emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2023.

You can find advice about your rights of appeal at:
