

scale

1:100 @ A3

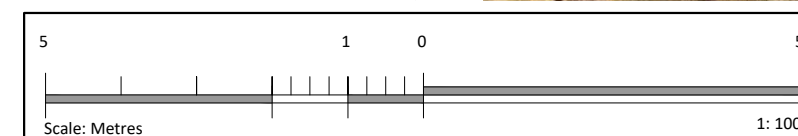

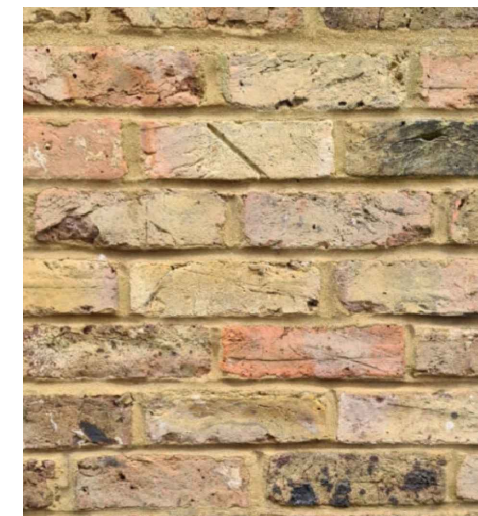

The technical drawings illustrate the design of a bin store. The elevation view (top) shows a structure with a flat green roof, waterproofing layer, and light concrete deck. The roof height is 1435. The bin store opening is 1250 wide, and the bin store is 1220 high. The bin store is supported by a single brick wall. The plan view (bottom) shows the bin store with a flat green roof over, with a width of 650 and a length of 1250.

Labels for the elevation view include:

- Flat green roof
- Waterproofing layer
- Light concrete deck
- Single brick wall
- Bin store opening
- Single brick wall

Labels for the plan view include:

- Bin store with flat green roof over
