Re: Urban Outfitters, 42-56 Earlham Street, London, WC2H 9LA

I refer to your pre-planning application enquiry 2024/1803/PRE at Urban Outfitters, 42-56 Earlham Street, London, WC2H 9LA. Thank you for sending the documents detailing the proposed installation of fibre cable from external wall and drilling of pass-through hole on first floor front-facing window wooden trim to the property.

8. Conclusion

In conclusion, if the proposed works were to be supported, adequate justifications necessitating the proposal and considerations about balancing potential harm with heritage benefits would be required. In the absence of any drawing, Design and Access Statement and Heritage Statement, the Council would be unable to provide further comments on the proposal. It is advised that a Listed Building Consent would be required for the proposed works.

You are encouraged to consider the feedback and try to address these concerns. Any further advice or feedback would require additional fees to be paid. Please check the Council's website for a list of fees associated with this type of proposal.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
