2024/3540/P	B A Abraham for the Belsize Society	09/09/2024 08:58:42	OBJ	For the Belsize Society: we object to the removal of the attractive olive tree from its prominent location on Fitzjohn's Avenue, where it is highly visible and makes a positive contribution to the streetscape and conservation area. We therefore disagree with the statement in 4.04 of the Planning and Design & Access Statement that "The proposed works will not have any negative impact on the Conservation Area." We request that the proposed alterations are amended so as to retain the olive tree.
