Dear Sir/Madam

We have had to put up with this obtrusive, unauthorised build behind our properties for over a year and the resulting increased noise pollution; please can you kindly advise where have you got to, with this application process and when can we the residents of Howitt Road expect this matter to be resolved?

Also please can you advise **WHY AGAIN** when this new application was submitted did the council not put notices on Howitt Road as it effects as significantly as the residents on Belsize Grove?

When the original application **2023/4603/P** was submitted **the same planning complaint was raised then by a number of residents?**

This all seems a very inappropriate, I look forward to hearing from you.

Ruby
