2024/2928/P	ANON	09/08/2024 23:24:14	OBJ	<p>[REDACTED]</p> <p>Grove place is a quiet residential tree lined street with occupants of 28 flats and very narrow parking that very large vans and lorries are not permitted to enter. For the residents that live opposite number 30, will have to endure most of this major work which will last for months with building traffic, noise, lack of privacy, constant digging and building this is just not acceptable. The majority of tenants are council tenants and don't have the funds to just vacate whilst these works take place.</p> <p>[REDACTED] I wonder if consideration has been taken regarding that the River fleet runs under this part of Hampstead? Just like other developments near by have already discovered. Has anybody assessed the trees and roots that are beside this property? Digging could have consequences to our trees.</p>
