2024/3937/T	Francoise Findlay Elsworthy Residents Association, BCAAC	18/09/2024 12:50:59	OBJ	<p>The tree does indeed overhang the pavement not that the accompanying sketch helps to show that or the position of the tree nor evidence of its poor condition. Photos would be more helpful.</p> <p>The tree sits at the corner of Elsworthy Road and Lower Merton Rise and therefore is an asset to the streetscape, viewed from many directions.</p> <p>It appears to be very healthy and perhaps could be pruned back rather than felled? If felling is deemed essential then an alternative decorative tree should be planted.</p>
