NEIGHBOURHOOD FORUM

19 September, 2024

Dear Mr. Yeung,

West Heath LTC: application 2024/3399/P – travel plan

The expansion of the club house will inevitably attract more members and greater usage by school children. The vast majority of members live outside the area and access the club by private vehicle.

To promote sustainable travel, it is requested that the section 106 agreement relating to any expansion of the club house requires a Travel Plan:

<https://www.camden.gov.uk/travel-plans1>

This will hopefully help to prevent a further deterioration in the already poor air quality here: an area where there are a number schools.

Yours sincerely,

Secretary
